## Security

Fill in the blank

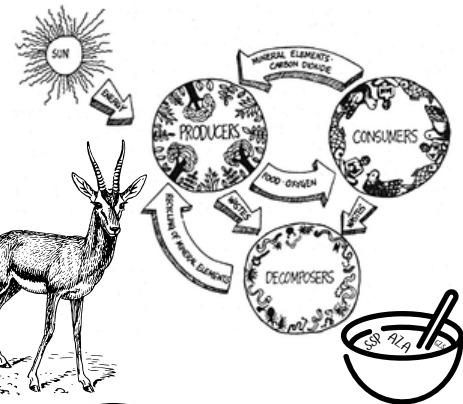

We have 24/7 \_\_\_\_\_  
and \_\_\_\_\_ our  
fence is a \_\_\_\_\_ fence  
and measures \_\_\_\_\_ft  
high and \_\_\_\_\_ft apart.

## Parts of the flower

## Animal Care

1. We have a vet tech on staff. (T/F)
2. Animal Care does not have the most amount of staff out of all departments (T/F)
3. Animal care does a hard count twice a day ( T/F)

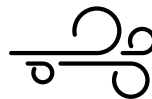

Which of these resources are renewable and which are non renewable?

## Conservation

Water

Wind

Trees

Oil

Gas

Soil

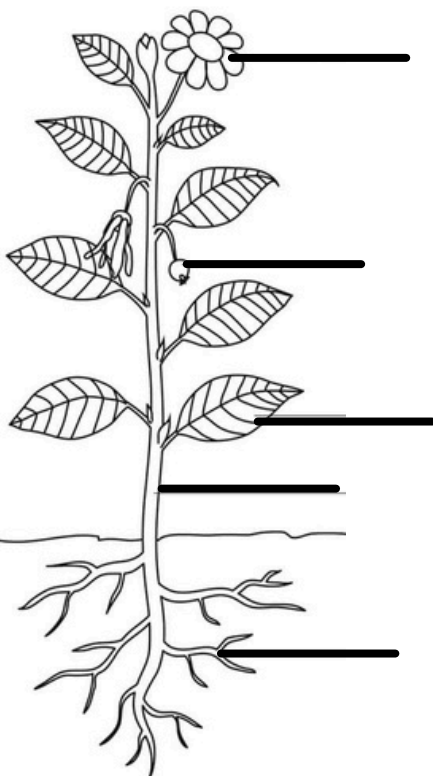

Species Survival Plan

The SSP is a great program that allows us to work with other AZA members, to assist with the appropriate management of and distribution of species.

## ASSOCIATION OF ZOOS & AQUARIUMS

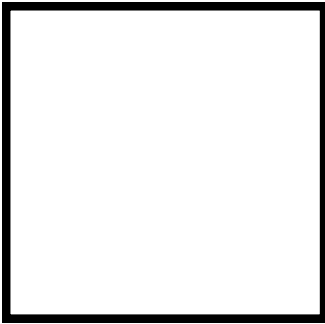

The AZA is a non-profit organization dedicated to the advancement of zoos and aquariums in the areas of conservation, education, science, and recreation.
